Fortelock Business Collection

The Business Collection combines the unique properties of Fortelock tiles and topline products of heavy-duty vinyl floor coverings' global manufacturers. A wide selection of designs, ease of installation, minimal water permeability and high durability are just some of the advantages.

The specially developed and patented unique ZeroGap tile lock system guarantees minimum water permeability and it protection against the ingress of dirt. It also guarantees that the tiles easily fit together when laid out and form one compact whole.

The large selection of decors

allows you to fine-tune your interior exactly as you wish.

FAST INSTALLATION

Thanks to the combination of Fortelock tiles and heavy-duty vinyl flooring, the installation is very simple and can be done conveniently while at full operation and without the need for complicated underfloor preparation.

Galibier T95 Graphite

The combination of Fortelock tiles and heavy-duty vinyl has another great advantage. In case of damage, only the damaged tile can be replaced without the need to disassemble the floor.
